

My spouse is a scientist	I have worked in more than four different countries	I like Star Trek a lot	I am a social scientist doing research on science diplomacy
l meditate regularly	l own a very beautiful pet	I used to work while I was studying my degree	My Twitter account is for professional purposes
I go for a run three times or more a week	This is my first time in a science diplomacy event	I have had a meeting with a minister of Foreign Affairs or Science	I know who Brian Cox is
I am/have been an Erasmus student or a Marie Skłodowska- Curie Fellow	My spouse is a diplomat	I have visited/worked at a large research infrastructure	I really like to write policy reports/briefs
	Lucatio		

I have three children or more I work in international scientific affairs but not in an embassy

I love dancing

I know nothing about Jon Snow
